### Picture Retake Day 11/2

The photographers will be photographing the class groups on retake day. Unfortunately, the group photos that were taken on the original day do not meet their standards and they will be redoing them.

#### **Car Riders**

We do understand that based on the parent's schedule or any other need, there could be changes when another student's family is picking up other students from the school. In order to have a safe dismissal process and for student's safety, please inform the office in the morning of changes to the adult who will be picking your child up. We will not be able to dismiss students to an adult if we don't have parent's consent. You can either call the office or Email to let us know about the change.

### **Suggestion Boxes**

We installed 3 suggestion boxes throughout the building for our staff, students and parents to provide feedback to us. Parents, there is one located in the vestibule area (main entrance), we have one in the cafe for our students and one in the staff lunch room for our faculty. Of course you are always welcome to call or email, but this is another way for parents to communicate with us about thoughts, ideas, comments or concerns.
