

October 5, 2018

Wednesday, October 10th is a 12:45 dismissal for students.

Thank you to the Tiger Tracks Committee for organizing another successful fundraiser for our students and school!

Attached you will find the Veteran's Day Tiger Time form. Please review it and send it in if you will have a Veteran joining us on 11-12-18 and email a picture of your Veteran to me if you would like their photo and name in our slide presentation.

Thank you to Susie Ward for organizing our Room Parent meeting on Thursday and thank you to all the parents who came out to begin party planning with the child's teacher!!

The first and second graders enjoyed a Fire Safety program on Thursday morning. Be sure to ask your child what they learned!

Please let me know if you would like to take over as coordinator for the after school programs. Dionna has simplified the process so much that it should be very easy for someone to take over for her. If we do not have an after school coordinator, we will not be able to run after school programs.

The Learning Center preschool at South Windsor High School welcomes children ages 3 - 5 to discover the joys of learning in a safe, nurturing environment. Children explore and learn with the support of a high school "buddy" who is studying child development or leadership in child care under the supervision of a certified teacher. Seats are available for children in both mornings and early afternoons.

Session 1 runs October through January. Session 2 runs March through June.

Morning Classes: 8:30 - 10:20

Midday Classes: 11:00 - 1:00

Prices for this program are as follows:

- \$140 per the fall or spring session
- \$230 for the whole year

More information about can be found on the SWHS Early Childhood Education webpage: <https://sites.google.com/apps.southwindsorschools.org/swhs-early-childhood-education/home>.

Each year we identify an area to improve upon in regards to our communication with families. This year we are really focusing on updating parents about student progress prior to parents receiving the progress reports. Each grade level will address this in a variety of ways. At Open House you will likely hear more about how your child's teacher plans to share updates throughout the year.

Have a wonderful long weekend!
