

PRS-FAMILY NEWS

November 22, 2023

Happy Thanksgiving! I hope you enjoy some time to relax with friends and family over the next several days!

Construction is underway in the back of the building to install additional blacktop area near the basketball hoops.

The South Windsor Public Schools has openings for caring, responsible, and reliable individuals to substitute in all of our schools. We need your help to find individuals interested in working in our amazing district with wonderful students and staff, while having a flexible schedule and earning \$125 per day. Prior experience working with school-aged children or a bachelor's degree is required. Our substitutes are an essential part of our schools. Please share with your friends, neighbors, and relatives who may be looking for a flexible job opportunity, enjoy community involvement, or are interested in gaining experience working in the field of education. For more information, please contact any of our school administrators or visit our website to apply for about these important positions:

Lost and Found and Parent/Teacher Conferences

While we do not have a clothes rack to display the lost and found, I respectfully ask parents to visit the lost and found table during parent/teacher conferences.

We also raised \$179 dollars for the Juvenile Diabetes Research Foundation to help find a cure for diabetes. We thank you for your donations. In December, we are sponsoring a

We installed 3 suggestion boxes throughout the building for our staff, students and parents to provide feedback to us. Parents, there is one located in the vestibule area (main entrance), we have one in the cafe for our students and one in the staff lunch room for our faculty. Of course you are always welcome to call or email, but this is another way for parents to communicate with us about thoughts, ideas, comments or concerns.
